

WRAP AROUND HOLIDAY CLUB

who are we

CK Club is all about supporting local families by providing a friendly, welcoming space for children aged 3 to 11, before and after school, and during the holidays.

As part of the Country Kids family, we understand how important it is for parents to have childcare they can truly trust.

Our team is made up of caring, experienced people who love creating fun, memorable experiences for the kids, whether that's playing games, trying new activities, or just making friends.

We're here to make life a little easier for families, offering a safe and happy place where children feel at home.
