

## Exciting News – We’re Becoming the Eagles!

Our class name will soon be changing to **Eagles** — a symbol of **courage** and strength!

As an **optional** extra homework task, you are invited to create a piece of work linked to our new class name. This could be a **fact file**, a **drawing or painting**, a **poem**, a **short report**, or any other **creative idea** that helps teach others about eagles — what they represent, where they live, or any fascinating facts.

Your work will be displayed in a special class book to celebrate our new identity, so please make sure it is no bigger than **A4 size**.

We can’t wait to see your brilliant contributions and celebrate what it means to be an **Eagle** — brave, bold, and full of courage!

Please bring this in before we break up for Christmas.
