‘Together We Achieve’

[office@kneesall.notts.sch.uk](mailto:office@kneesall.notts.sch.uk) 01623 861069

Welcome back to what promises to be an exceptionally vibrant Summer Term 2. I am delighted to share the remarkable energy that has already permeated our school community during these opening weeks.

Our Year 4 pupils have successfully completed their Multiplication Tables Check, demonstrating the mathematical foundations they have diligently developed throughout the year. Meanwhile, our Year 1 cohort is preparing with considerable focus for their Phonics Screening Check, which will take place next week. I have every confidence in their readiness and enthusiasm for this important milestone.

The school has been filled with the most wonderful sounds as Class 3 has commenced rehearsals for their forthcoming performance in July. I anticipate this will be a celebration of their creative talents.

This half term presents us with a plethora of community events and opportunities. I look forward to the many occasions we shall have to gather together, strengthening the bonds that make our school community so special.

Warm wishes,  
Mrs Marfleet

## It's fun to be at the..

Class 2 were able to celebrate their fundraising success with their trip to the YMCA today. The children took part in climbing, nerf battles and crafts. Thanks to all involved.

## Attendance

We've recently seen a noticeable rise in holiday requests during term time, and we'd like to take this opportunity to highlight the importance of regular school attendance.

Every day in school counts. Consistent attendance supports your child's learning, social development, and emotional wellbeing. When children miss school, even for a short period, it can disrupt their progress and make it harder for them to stay on track with their peers.

We understand the value of family time, but we kindly ask parents to consider the impact of term-time absences.

Wherever possible, please plan holidays during the 13 weeks of school holidays to ensure your child gets the most out of their education.

Thank you for your continued support.
