‘Together We Achieve’

Dear Parents and Carers,

What an extraordinary week we've had at Kneesall C of E Primary School! I am delighted to congratulate our Year 6 pupils on successfully completing their SATs. The sense of relief and accomplishment was palpable, particularly evident in their enthusiastic participation during worship today. We extend our thanks to our Governors for their invaluable assistance in invigilating these important tests.

It has been tremendously encouraging to witness the heightened enthusiasm for learning throughout the school this week. Of particular note is the developing trend of independent story writing that seems to have captivated our young authors – great to see!

As we continue to bask in this glorious weather, may I kindly remind you to ensure your child comes to school equipped with a water bottle and sunhat. Your cooperation in this matter is greatly appreciated as we strive to keep our pupils comfortable and protected during these warm days.

Warm wishes,  
Mrs Marfleet

## Anyone For Tennis

Children from Foundation to Class 2 welcomed James, from Caunton Tennis club, to give them a taster of what tennis can offer and try something new. Great fun had by all!

## Well done Year 6!

What a week it has been for our Year 6 children. They have approached their SATs with courage, maturity and determination. We are incredibly proud of each and every single one of them!

## Wraparound Care

The voluntary committee run group, KOOSC, our wraparound provider, has informed us that Mrs Fores has made the decision to take her well-deserved retirement, and they will take this opportunity, to cease running the committee after this year's summer holiday club.

On behalf of the school, I would like to express our sincere gratitude to Mrs Fores, playworkers - past and present, and the KOOSC committee for their dedicated service, in providing this valuable club to our school community over the years.

We understand how crucial wraparound care is for busy working families, and we have been diligent in securing a new provider to ensure the continuity of this essential service.

After completing a formal tender process, we can announce that Country Kids have agreed to run the wraparound care at school, effective from September.

Over the coming months, they will share the necessary information with you regarding the transition and details of their service.

We are confident that Country Kids will deliver a high-quality wraparound care experience for our families. We look forward to working with them to ensure a smooth transition and the continued support of our school community.
