Welcome to Summer Term!

As we come to the end of another jam-packed week in school, I am pleased to reflect on several of the activities and accomplishments that have transpired in a mere four days.

Our Year 6 pupils have demonstrated remarkable dedication and resilience as they diligently tackled their mock SATs, preparing themselves for the challenges that lie ahead. Class 2 was privileged to welcome a visitor who breathed life into their learning experiences, providing invaluable insights and practical knowledge. Meanwhile, our Foundation stage received a special delivery, adding an element of excitement and wonder to their educational journey.

As the holiday season approaches, I must remind our school community that absences for holidays cannot be authorised and may result in a penalty notice. We appreciate your understanding and cooperation in this matter, as consistent attendance is crucial for our pupils' academic progress and overall development – thank you.

Best wishes
Mrs Marfleet

Caunton Tennis Open Day

It's that time of year again when we stage our Annual Open Day at Caunton Tennis Club on Saturday May 3rd.

As usual, it should be a wonderful day of free activities and games and the chance for both children and adults to try out Tennis and Pickleball.

New Arrivals!

Spring is truly sprung, and new life is all around us. Nowhere more so than in Foundation with the arrival of 6 newborn chicks. The children are already taking great care of the chicks and the two eggs that are yet to hatch. Fingers crossed they make a safe entry into the world soon!

News from Friends

We're excited to share that you, along with our Friends group raised over £426.00 during our Easter Celebration, through the raffle, tombola, and cake and coffee stand!

A huge thank you to who supported the event—your generosity and hard work helped make the day a real success.

We have lots to look forward to this half term, including Restaurant Night and the

annual Summer Fair.

Online Safety Tip of the Week

Please find attached to this newsletter this week's online safety tip looking at TikTok. Although children should be over 13 to access TikTok, research has found that many children younger than this have regular access to the platform.
