‘Together We Achieve’

office@kneesall.notts.sch.uk 01623 861069

What a week it has been!

I think many of us crawled to the end of the week following our residential trip earlier in the week. Despite a lack of sleep, it was a real pleasure to share some of the experiences had and memories made. I would like to thank the staff and volunteers who gave up their time to enable this visit to happen, we are incredibly grateful.

I am pleased to announce the launch of an exciting new ks2 chess club in our school. This initiative came to fruition following valuable feedback from our children, highlighting their desire for such an activity. The club has already garnered significant interest, with ten children attending thus far. We still have space for a few more enthusiasts, so if your child is interested, please do encourage them to join us on Thursday lunchtimes. Looking ahead, we are eagerly anticipating the opportunity to compete in a chess match in the near future, which will undoubtedly be an enriching experience for our young strategists.

Warm regards
Mrs Marfleet

Flourishing Together

Our class 2 residential proved to be a great adventure for our children. It was heartening to witness their exemplary behaviour throughout the trip. The children exhibited remarkable courage and faith in themselves, often digging deep to overcome challenges. What particularly stood out was the spirit of camaraderie among our pupils. They consistently demonstrated kindness, offering encouragement to their peers during moments of difficulty.

This display of empathy and support is a testament to the values we strive to instil in our school community.
