'Together we achieve'

What a week! Our pupils were fortunate to experience an extraordinary visit from Gladiator Steel, which proved to be truly inspiring and memorable. The event will undoubtedly remain etched in their memories for years to come. Thanks go to our Friends group for orchestrating this remarkable opportunity.

Our Harvest service at the church was a truly uplifting occasion. Thank you to all who joined us in celebrating this important tradition, demonstrating the strong sense of community that defines our school.

I would also like to draw your attention to an important notice regarding some books (attached). You may have seen recent social media discussions about certain books with potentially compromised content. I want to reassure you that we have conducted a comprehensive review of our school library, and I can confirm that none of the titles in question are part of our collection. We remain committed to providing a safe and enriching reading environment for our pupils.

Warmest wishes,
Mrs Marfleet

Next week our school will be transitioning to a new computer system. Over the coming weeks how you receive communications and make payments will be changing. The new system is necessary as the current one will become obsolete.

Please bear with us as we navigate this period together – thank you.

Kneesall School Vision

Gladiator, ready!

On Tuesday, Steel/Zack came to school to talk about health, hydration and confidence.

He told us how to be a Gladiator. He showed us his best move that he could do. It was a hand stand walk and he walked down the hall and back! He held a hand stand for twenty seconds!
