‘Together We Achieve’

[office@kneesall.notts.sch.uk](mailto:office@kneesall.notts.sch.uk) 01623 861069

This week has been exceptionally vibrant at Kneesall C of E Primary School, with a plethora of engaging activities enriching our pupils' educational experience. From educational trips to the excitement of film night, and the celebration of individuality on Be Yourself Day, our school has been a hive of activity. These diverse events, coupled with our thriving extra-curricular clubs, are instrumental in bringing learning to life and fostering our school's vision of helping all to flourish.

I would like to express my profound gratitude to all those who contribute to our school's success. Whether through volunteering, supporting events, or assisting on trips, your dedication is invaluable. It is heartening to witness our community united in pursuit of a common goal - the holistic development of our pupils.

Your continued support reinforces the strong bonds within our school community, and for this, we are truly thankful.

Warmest wishes,  
Mrs Marfleet

## Film Night

Thank you to the Friends group for organising, and those that attended, film night this week.

The children (and adults) enjoyed the Disney movie, Wish, and an incredibly tasty Hot Dog, kindly donated by Baugh's farm.

You helped raise a fantastic £252 to go towards providing additional opportunities for our children in school - thank you!

## Remembrance Day

Sunday was the National Day of Remembrance, and we marked it with a small group of children laying our 'school-made' wreath at the service in Ollerton.

Although there were only a few in school

uniform, it was lovely to see so many others there as part of brownies and cubs.

The whole school also marked this poignant moment by taking part in a two-minute silence on Monday.

## National Space Centre

On Monday, Class 3 visited the Space Centre in Leicester as part of their science topic this term.

The children were able to explore hands-on exhibits, climb the height of a real rocket and watch a show about astronaut education in the planetarium.

We're sure it was the perfect spark to set them off on their new unit of learning!

## Other Notices

### Halloween Party

A massive thank you to The Wildgusts and all who attended their halloween party in the half term. They very kindly collected contributions and have donated this to school. We are most grateful for your kindness and generosity.

### Choir at St.Barts for Kneesall WI

A reminder for those taking part in the performance tomorrow at St. Barts to be at church for 1pm so we can have a short rehearsal. We are due to perform at 1:15pm. Please come in your school uniform and maybe a little tinsel!

### Be Yourself Day

More fundraising news! School council's event, supported by you, raised just over £50 for the Children's Bereavement Centre, in Newark. This money will be donated to the centre week commencing 2<sup>nd</sup> December, as part of The Big Give, where the Government will double any donations made to the charity that week. Great news!
