

YEAR 5 SPRING 2 HOMEWORK

TIMES TABLE PROJECT

Due Date

Monday 23rd March 2026

(or before!)

1	2	3	4	5	6	7	8	9	10
2	4	6	8	10	12	14	16	18	20
3	6	9	12	15	18	21	24	27	30
4	8	12	16	20	24	28	32	36	40
5	10	15	20	25	30	35	40	45	50
6	12	18	24	30	36	42	48	54	60
7	14	21	28	35	42	49	56	63	70
8	16	24	32	40	48	56	64	72	80
9	18	27	36	45	54	63	72	81	90
10	20	30	40	50	60	70	80	90	100

Don't forget to read, do TTRS and practice your spellings 😊

Option 1: Create Your Own Times Table Game

Design a game that helps someone practice times tables. It can be based on any game you like (eg Cards, a board, a spinner, a matching or memory game etc)

Your game must include:

- Clear rules
- A way to win
- Times tables built into the gameplay

Please don't buy anything new for this project- use things you already have eg paper, pens, cardboard etc!

Option 2: Times Table Poster – “Show Them All!”

Create a bright, clear poster that shows all the times tables from 1–12.

Your poster must include:

- All tables written neatly
- Patterns you notice (e.g., “the 4s double the 2s”)
- At least three tips or tricks for remembering tricky facts

Option 3: Times Table Challenge Cards

Create a set of at least 12 challenge cards.

Each card must have:

- A multiplication question
- A related word problem
- A “check your answer” section on the back
